

## Using Databases for Research: Searching, Paraphrasing, and Citing

Research information on the CLIMATE of a country of your choice. Every good researcher knows that you need information from more than one resource.

<b>Direct Quote (copied and pasted from the database)</b>
<b>Paraphrase</b>
<b>Citation (MLA)</b>

<b>Direct Quote (copied and pasted from the database)</b>
<b>Paraphrase</b>
<b>Citation (MLA)</b>

<b>Direct Quote (copied and pasted from the database)</b>
<b>Paraphrase</b>
<b>Citation (MLA)</b>

Now, ***SYNTHESIZE*** the information from all three sources into a one paragraph SUMMARY about the climate in your country.

**Summary**
